

Tregolls Academy

Spring Term 2 - Week 6

Head of School Message

As we come to the end of another fantastic term at Tregolls Academy, I would like to take this opportunity to thank all of the children for the hard work, enthusiasm and determination to succeed both academically and in other pursuits they continue to show each and every day. I would also like to thank our incredible staff team who work tirelessly to continually improve the school offer for your children. Finally, I would like to thank you, the parents and carers of Tregolls, for your continued support for both your children and us as a school. We have loved welcoming you into school for assemblies, reading sessions and even pasty making workshops! We also really appreciate all of the help you have offered accompanying school trips and visits, supporting team events and cheering the children on - THANK YOU!

This week has seen our eldest children stepping outside of their comfort zone and making memories to last a lifetime. Those Year 6's who have been on the London residential have had a fantastic time seeing the sights, experiencing new things and making new friends with peers from Truro Learning Academy. Equally, those Year 6 children in school this week, have taken part in an amazing Art Project all week and welcomed children from Truro Learning Academy to Tregolls for a day full of activities yesterday: Nerf Challenge, Dodgeball, Laser Tag and Archery! They were so welcoming and inclusive to our visitors and had a fantastic day together. All of the children, both near and far, have been true ambassadors of the school and have made us incredibly proud!

Have a lovely Easter break - we look forward to welcoming the children back to school on Tuesday 22nd April.
Mr Rees

Early Help Hub

The right help
At the right time
By the right service

What does the Early Help Hub do?

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

If you see something, say something

0300 1231 116
multiagencyreferralunit@cornwall.gov.uk

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?
The more detail you are able to provide, the better we will be able to help.
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
