## Spring Term 2 - Week 5

### Head of School Message

This week we have continued to excel at Tregolls, whether it is the continuing improved attendance, the reduction in Persistent Absence or the incredible learning that has taken place in the classroom. Year 1 have taken part in a wonderful food workshop with Aspens whereby they were making animals from the different fruit and veg we eat, but also learning about the nutritional value of food. They found out that it is ok to eat wonky fruit and veg!

In Year 5 we have been working alongside the police to take place in a range of workshops that look at staying safe online, in the community and how we can become an active citizen for change. The feedback from the pupils has been excellent and the Police commented on the outstanding behaviour from the children, well done to Fowey class.

Finally, next week we have parents evenings on Tuesday and Wednesday in the main hall. We also set off for London for our long awaited residential, there are some very exciting children (and adults).

We have now set dates for Sports Day, class transitions, reports, the Summer fair and a number of other important events. We will share these with you next week so that you can add them to your diary.

Have a lovely weekend.  
Mr Rees

**Early Help Hub**

The right help  
At the right time  
By the right service

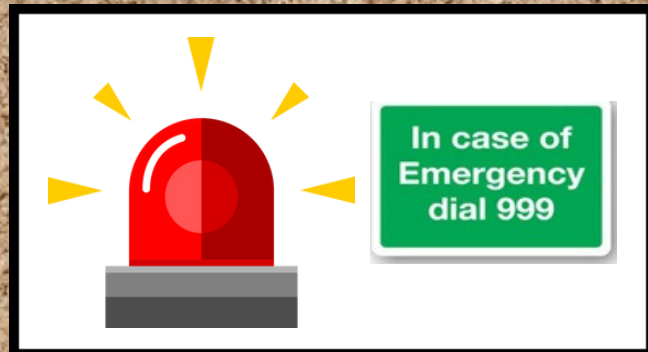

**What does the Early Help Hub do?**

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.  
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?  
The more detail you are able to provide, the better we will be able to help.  
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
