

Tregolls Academy

Summer 2 - Week 3

Head of School Message

This week our Year 6 children have been taking part in their swimming curriculum. It is such an essential skill, especially where we live in the world. It has been amazing to watch their progress over the week, with some children not wanting to enter the water on Monday and by Friday they were placing their heads into the water and starting to lift their head off of the ground. Next week Year 4 will go to swim. I can't wait to hear about their progress.

On Monday our school football teams, both boys and girls competed in matches against Devoran. The Year 5 and 6 team won 10-2 with Tobey scoring 6 goals and our girls team drew 3-3, with Amelia scoring a hat-trick.

We have recently had a spell of hot weather within school. Can you please ensure that children are wearing a hat, have sun cream and a good quality water bottle.

Finally, I know that parking around schools can often be a challenge. Please can we ensure that we are not parking on the roundabout or across peoples driveways. We have a soft start in the morning where children can be dropped into the playground from 8:30-8:45am and then at the end of the day EYFS and KS1 are dismissed at 3:05 and KS2 are dismissed at 3:15.

Thank you for your continued support.
Mr Rees

Diary Dates

- Swimming lessons for Year 4 - **Week of 23rd June**
- Penair extra transition session for Year 6's - **Monday 23rd June in the morning**
- Lighthouse Godrevy non-uniform day - **Friday 27th June**

Learning of the Week

Two amazing matches. Both teams played their hearts out and were rewarded with 2 great results against Devoran.

The girls match was a nail biter and in the end they drew 3-3. 3 spectacular goals with superb teammanship and some great set plays.

The boys displayed great control and showed confidence and great ability with a score of 10-3 to us they were rewarded with a superb win.

Well done to both teams. #teamtregolls #football #girlsfootball

Early Help Hub

The right help
At the right time
By the right service

What does the Early Help Hub do?

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

+44 01872 322277
earlyhelp@cornwall.gov.uk
www.cornwall.gov.uk/earlyhelp

The Hub is open Monday to Thursday 8.45 am to 5.15 pm and Fridays 8.45 am to 4.45 pm. The Hub is closed on Bank Holidays.

Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

If you see something, say something

☎ 0300 1231 116
✉ multiagencyreferralunit@cornwall.gov.uk

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?
The more detail you are able to provide, the better we will be able to help.
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.

Online Safety Newsletter

June 2025

Virtual Reality (VR)

VR is a 3D computer generated environment that users can explore wearing a VR Headset.

Meta Quest Parental Controls

Meta Quest are one of the more popular VR Headsets. Users aged 13+ can use Meta Quest (children between 10 and 12 years old can use it through a parent managed account). *Meta Quest state that VR Headsets are not recommended for use by younger or smaller-sized children for a variety of reasons including eye strain.* Optional supervision tools are available for those aged 13–17. Find out more here: <https://familycenter.meta.com/uk/our-products/horizon-and-quest/>

Meta Quest has a Safety Centre; it includes health and safety warnings and how to set privacy settings. <https://www.meta.com/gb/quest/safety-center/>

Gorilla Tag

This is a popular game and whilst rated as PEGI 3 (even though young children should not be using VR), it is important to note that it does include in app purchases and players can interact so there is a risk of offensive/inappropriate language. <https://www.esrb.org/blog/a-parents-guide-to-gorilla-tag/>

What can I do?

- Check what games your child is accessing and make sure they are appropriate.
- Play together.
- Set time limits and ensure plenty of breaks.

Further information:

- <https://www.nspcc.org.uk/keeping-children-safe/online-safety/virtual-reality-headsets/>

Online Privacy

It is important to develop an understanding of how you can protect your child's privacy online. Any personal information shared online creates a digital footprint and it is vital that we control who sees what.

What are Privacy settings?

Privacy settings are tools available on most social media apps, websites, and games. They allow users to control who can view what they share online.

What can we do to support our children with their online privacy?

Talk to your child regularly: Talk to your child about what is personal information and to think about what they share online. Personal information includes their name, address, current location and the school they attend. This also includes information within photos or videos that they may share, for example does it show their current location?

Apply appropriate privacy settings: For any app, game or device that your child uses, check the privacy settings and apply them as appropriate. For example:

- Check if their location is being shared.
- Check who can tag them in posts (as what others tag them in can also affect their digital footprint).
- Check who can share their content.

Check these settings regularly as new options may become available or sometimes updates can change previous settings.

Children learn from us: Think about what you are sharing online – do you share photos of your child in their school uniform or their current location?

Set strong/complex passwords: Teach your child to create strong/complex passwords and to never share them with others.

Search their name – search their name in a search engine to see what information can be seen about your child. Remind your child that they can delete any information that they no longer want others to see.
