## Spring Term 1 - Week 5

### Head of School Message

What a fantastic week we have had at Tregolls! We have been incredibly proud of the children in Year 6 who have been having a go at some practice SATs papers this week, so they know what to expect for the real thing in May. They have been super resilient and given their best each day; well done, Year 6!

We're also starting to see some of our final drafts of Writing across the school from the new Writing approach we have introduced this academic year. This approach focuses on good spelling, punctuation and grammar knowledge and children creating a 'twist' in a well-known text that they then write themselves. Mrs Grace will even be sharing our approach with other schools across Aspire next week as a model example. Good luck to Mrs Grace and well done to all of the children, including those in the ARB, who have produced excellent writing this week.

Have a lovely weekend.

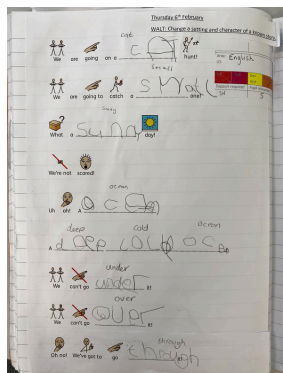

Mr Rees

### Learning of the Week

This term in the ARB, we have been learning a familiar story: We're Going on a Bear Hunt. In our lesson on Thursday, we listened to the sensory story again and then created our own plot twist, thinking specifically about the character and setting. The children enjoyed creating their own hunt stories and we enjoyed listening to each others. Well done Kenwyn

**Early Help Hub**

The right help  
At the right time  
By the right service

**What does the Early Help Hub do?**

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.  
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?  
The more detail you are able to provide, the better we will be able to help.  
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
