## Gannel Class Autumn Term Curriculum Letter

Dear Parents/Carers,

This letter includes important information and details about your child's learning this term.

### Our Team

First, I'd like to introduce our fantastic class team:

- **Demelza Harman** – Class Teacher
- **Sarah Watson** and **Linsey Trebilcock**– Teaching Assistants and individual/small group support.
- **Clare Hayes** – Cover teacher

I am really excited to be your child's new teacher and we are all looking forward to an exciting and fun-filled year ahead, getting to know you and your children better.

### Curriculum

We will kick start the Autumn with a topic titled 'Marvellous me', giving the children plenty of opportunities to learn and talk about themselves, their families and friends, our school and community. This will be followed with a 'Celebrations' topic in the second half term, where the children will build on any previous learning, with the added excitement of celebrations that will be taking place.

### Attendance

It is vitally important that your reception age child is in school and on time every day to ensure they are able to make the most of their learning opportunities. Please ensure children are in school **by 8:45am** each day; Gannel Class enter through the nursery gates to the right of the school, through the outdoor area and drop at the classroom door. Children will be dismissed from this door **at 3:10pm** each day.

From time to time, there may be exceptional circumstances when your child is too poorly to attend school. If this is the case, please inform the school office by 9am each day of absence.

### School Uniform

A polite reminder that reception age children must be in full school uniform. More information about what this includes can be found on our website. If you are finding it difficult to provide correct school uniform for your child, please contact myself or the office and we will be happy to help.

### PE and Staying Active

Gannel Class PE will take place on a **Thursday**. Children need to wear their School PE kits to school that day. Please ensure everything is named.

### Home Learning

Home Learning for EYFS children is posted on **Tapestry**.
