

Tregolls Academy

Summer 2 - Week 2

Head of School Message

Another busy week has been completed at Tregolls Academy. Our Year 1 children have been screened in their phonics check, well done to all of them for their hard work. Our Year 4 children have been busy on Times Tables Rock Stars and have now completed their multiplication checks. Next week the rest of the children will be completing a number of assessments to give the class teachers an idea of their progress. This information will be shared with you on the school report. The children in Year 5 attended Carn Brea and took part in the Aspire games. Mr Barber came back and commented on the outstanding behaviour, attitudes and sportsmanship shown by all of the children, we are very proud of this and well done to each of them.

Next week our Year 6 children will be swimming. Please ensure that you have made payment for this on parent pay and that your child has their swimming kit each day. Finally, a huge thank you to the Friends of Tregolls team who ran the summer fair event last night, it was really well attended. We will give you the final total next week.

Have a lovely weekend.
Mr Rees

Diary Dates

- Swimming lessons for Year 6 - **Week of 16th June**
- Swimming lessons for Year 4 - **Week of 23rd June**
- Health and Safety student rep day - **Wednesday 18th June**
- Fal class assembly - **Thursday 19th June at 14:30**

Learning of the Week

On Tuesday we had the Cornwall Plastic Pollution Coalition visitors who present an assembly to the whole school, followed by class workshops with songs, and interactive stories on real items that have been found in our Cornish seas. The 24hour hotline for marine medic assistance with entangled or hurt marine creatures, please call

Early Help Hub

The right help
At the right time
By the right service

What does the Early Help Hub do?

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

+44 01872 322277
earlyhelp@cornwall.gov.uk
www.cornwall.gov.uk/earlyhelp

The Hub is open Monday to Thursday 8.45 am to 5.15 pm and Fridays 8.45 am to 4.45 pm. The Hub is closed on Bank Holidays.

Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

If you see something, say something

☎ 0300 1231 116
✉ multiagencyreferralunit@cornwall.gov.uk

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?
The more detail you are able to provide, the better we will be able to help.
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

☐ : 0800 321 3248
☐ : www.coolmilk.com

SCAN TO REGISTER

*Milk for under-5s is fully funded by DHSC via the Nursery Milk Scheme. Milk for over-5s is subsidised by Defra via the School Milk Scheme.

Online Safety Newsletter

June 2025

Virtual Reality (VR)

VR is a 3D computer generated environment that users can explore wearing a VR Headset.

Meta Quest Parental Controls

Meta Quest are one of the more popular VR Headsets. Users aged 13+ can use Meta Quest (children between 10 and 12 years old can use it through a parent managed account). *Meta Quest state that VR Headsets are not recommended for use by younger or smaller-sized children for a variety of reasons including eye strain.* Optional supervision tools are available for those aged 13–17. Find out more here: <https://familycenter.meta.com/uk/our-products/horizon-and-quest/>

Meta Quest has a Safety Centre; it includes health and safety warnings and how to set privacy settings. <https://www.meta.com/gb/quest/safety-center/>

Gorilla Tag

This is a popular game and whilst rated as PEGI 3 (even though young children should not be using VR), it is important to note that it does include in app purchases and players can interact so there is a risk of offensive/inappropriate language. <https://www.esrb.org/blog/a-parents-guide-to-gorilla-tag/>

What can I do?

- Check what games your child is accessing and make sure they are appropriate.
- Play together.
- Set time limits and ensure plenty of breaks.

Further information:

- <https://www.nspcc.org.uk/keeping-children-safe/online-safety/virtual-reality-headsets/>

Online Privacy

It is important to develop an understanding of how you can protect your child's privacy online. Any personal information shared online creates a digital footprint and it is vital that we control who sees what.

What are Privacy settings?

Privacy settings are tools available on most social media apps, websites, and games. They allow users to control who can view what they share online.

What can we do to support our children with their online privacy?

Talk to your child regularly: Talk to your child about what is personal information and to think about what they share online. Personal information includes their name, address, current location and the school they attend. This also includes information within photos or videos that they may share, for example does it show their current location?

Apply appropriate privacy settings: For any app, game or device that your child uses, check the privacy settings and apply them as appropriate. For example:

- Check if their location is being shared.
- Check who can tag them in posts (as what others tag them in can also affect their digital footprint).
- Check who can share their content.

Check these settings regularly as new options may become available or sometimes updates can change previous settings.

Children learn from us: Think about what you are sharing online – do you share photos of your child in their school uniform or their current location?

Set strong/complex passwords: Teach your child to create strong/complex passwords and to never share them with others.

Search their name – search their name in a search engine to see what information can be seen about your child. Remind your child that they can delete any information that they no longer want others to see.
