Spring Term 1 - Week 1

Head of School Message

Happy New Year and Welcome back. I hope that you had a restful and relaxing Christmas and New Year. It has been a lovely first week back with the children showing a superb attitude towards their learning. Gold awards and lighthouse points have been given out in huge numbers! I am excited about the new year and the opportunities this brings for us to continue to grow and develop as a school. This term we will have visits to the local farms, Royal Cornwall Showground, Plymouth Argyle Football Match and London. Our Year 6 children continue their preparation for the KS2 assessments and we build towards warmer weather.

Next week on Wednesday 15th January we have a parent meeting at 9am in the hall. Myself and Sally Hannaford (an Aspire director) will be meeting parents to talk about last terms inspection and what happens next. A Microsoft form was emailed out earlier in the week. It would be great to have as many parents as possible in attendance. Our aim is to explain to you what happens next, what the report says and when the next visit might take place.

Have a lovely weekend.

Mr Rees

- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?
The more detail you are able to provide, the better we will be able to help.
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
