Spring Term 1 - Week 4

Head of School Message

There are only two weeks until the half term and it seems like many of the children really need it. We have had a lot of coughs, colds and temperatures this week. Thank you for those parents who have had to collect their children at short notice. It has been positive to see lots of children coming back to school and giving it a good go even when they still feel a little under the weather. Next week on Wednesday 5th February we have our Y6 Residential meeting for our London visit. It will take place at 3:30pm in the hall. Please attend if you can.

Have a lovely weekend.
Mr Rees

Early Help Hub

The right help
At the right time
By the right service

What does the Early Help Hub do?

- The Early Help Hub is the single point of access for professionals, families and young people to access Early Help Services in Cornwall
- The triage team decides which Early Help service best meets the needs identified in the request for help. It is then allocated to the appropriate service within 48 hours
- Support is provided: from pre-birth up to the age of 18, (or 25 when young people have additional needs) when the child, young person or family has needs that are not met solely by universal services

Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

If you see something, say something

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.
If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

What information do I need to give?
The more detail you are able to provide, the better we will be able to help.
If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
