## Ottery Class Spring Term Curriculum Letter

Dear Parents/Carers,

We hope you have all had a wonderful and restful Christmas break. This letter includes important information and details about your child's learning this term.

### Our Team

Here is a quick reminder of our class team.

- **Miss Sime** – Class Teacher
- **Mr Rogers** – Teaching Assistant and individual/small group support

### Curriculum

Our first project throughout the Spring term will be 'Our Wonderful World' with our big question being '**How can we save the planet?**'

We will kick start this topic with our 'The Snow Queen' themed launch day. This will introduce our literacy text and the children will transform our classroom into a winter wonderland. We will also be creating mini ice sculptures and intricate snowflake designs.

Please see the project overview sheet, which contains information about the subject specific curriculum content we will be covering. There are ideas for topic-related learning you could do at home in addition to the children's Home Learning (see below). However, these activities are not compulsory.

### Attendance

It is vitally important that your child is in school and on time every day to ensure they are able to make the most of their learning opportunities. Please ensure children are at school **at 8:40am** each day; Ottery Class enter through the side gable doors. Children will be dismissed from the playground **at 3:15pm** each day.

From time to time, there may be exceptional circumstances when your child is too poorly to attend school. If this is the case, please inform the school office by 9am each day of absence.

### School Uniform

A polite reminder that children must be in full school uniform. More information about what this includes can be found on our website. If you are finding it difficult to provide correct
